WP5 expected achievements

Ensuring a full embedding of EUSAIR within the IPA III programming framework means:

- ❑ Improving **coherence and consistency** between Bilateral and Multi-country programming of IPA III with EUSAIR by **acknowledging the strategic relevance of EUSAIR** initiatives
- ❑ Creating the conditions for a **constructive dialogue with DG NEAR, EU Delegations and the NIPACs** about financing actions (directly or indirectly) relative to the implementation of EUSAIR initiatives
- ❑ Operating towards the harmonisation of methodologies, tools, practices and capacities to **maximise coordination, enhance joint implementation and systematise unitary monitoring** between relevant IPA III actions and EUSAIR projects

The ultimate scope is to raise the awareness and level of understanding on the importance of the enlargement process, its opportunities and its challenges at the level of EUSAIR region and beyond ...
