Technical Meeting of EUSAIR Pillar Coordinators
Patras, Greece, 12 February 2025

1. Main Activities by TSG2 on Energy

a) Meetings of EUSAIR TSG2 on Energy

- 20th Meeting, Trieste, Italy, 29 November 2024 (hybrid)
- 21st Meeting, Belgrade, Serbia, 15 April 2025 (hybrid)

b) Main conclusions:

- Lack of thematic assistance stifling and hampering TSG2 on Energy Programme of Work 2025
- Reservations on limited role of Pillar Coordinators in the EUSAIR Governance Architecture Paper
- Process of EUSAIR-labelling of energy projects and measures in need of clarification and updating
- Annual Progress Report 2024 approved and delivered

c) EUSAIR Workshop on Future Energy Developments, Athens, Greece, 12 March 2025

d) Session on Energy in the 10th EUSAIR Annual Forum, Crete, Greece, 6-7 May 2025 "Energy Programmes and Projects to Confront Global Climate Change"

e) Participation of Coordinators into 1st Membership and Capacity Building Meeting of EUSAIR Youth Council, Dubrovnik, Croatia, 21-23 November 2024

2. Main Issues and Needs for the Implementation of the EUSAIR Action Plan

- **Lack of resources** hampering, delaying and reducing the implementation of the new EUSAIR Action Plan
- **Updating EUSAIR Master Plan on Energy** for the Adriatic and Ionian Region (the sole new strategic project launched while receiving support by the Friuli-Venezia Giulia Region of Italy)
- Need for clarifying role of Project no. 2 StEP and Project no. 3 SP4 EUSAIR for the timely implementation of the new EUSAIR Action Plan and their inclusion into the Action
- **Priority strategic projects and studies considered:** Artificial Intelligence in the Energy Systems: Prospects and Action; New Power Generation for Electric Vehicles and Data Centres; EUSAIR Conference to Confront Global Climate Change; Renewable Energy Road-Map; EUSAIR Forum on Energy Efficiency; Design of Hydrogen Valley for Western Balkans; EUSAIR Energy Markets Integration. **Projects and studies all frozen and stand-by**
- Activities by **EUSAIR Youth Council** not included in the new EUSAIR Action Plan and in need of receiving a strategic intergenerational mission
