ECOC 2025

B-solutions

Small Project Fund

ACTION PLAN

- EGTC will finance projects to final recipients
- bottom-up approach, connection to BB
- biannual work programme
- pre-announcement of the call in 2022
- info days, workshops, other participatory tools
- first call opened in second semester of 2022

BEING AN EGTC

PROS

- Cross-border works
- Being able to choose the public procurement law
- Open-mindedness
- Strategic development of the borderless area
- Infrastructural work continue independently and are not linked to municipal authorities

CONS

- Different and/or incompatible laws between bordering states
- Municipality control / political dependence
- Double bureaucratic work
- Language/ translation
- Financial dependence on the projects
